ANGOL-MACYAR

A serene blue seascape with a bright sun on the left and a horizon line. The sky is a deep blue with wispy white clouds. The water is a vibrant blue with gentle ripples. The sun is positioned on the left side of the frame, creating a bright glow and a reflection on the water's surface. The horizon line is visible in the distance, separating the sea from the sky.

Project to Provide Group Homes for Older Girls

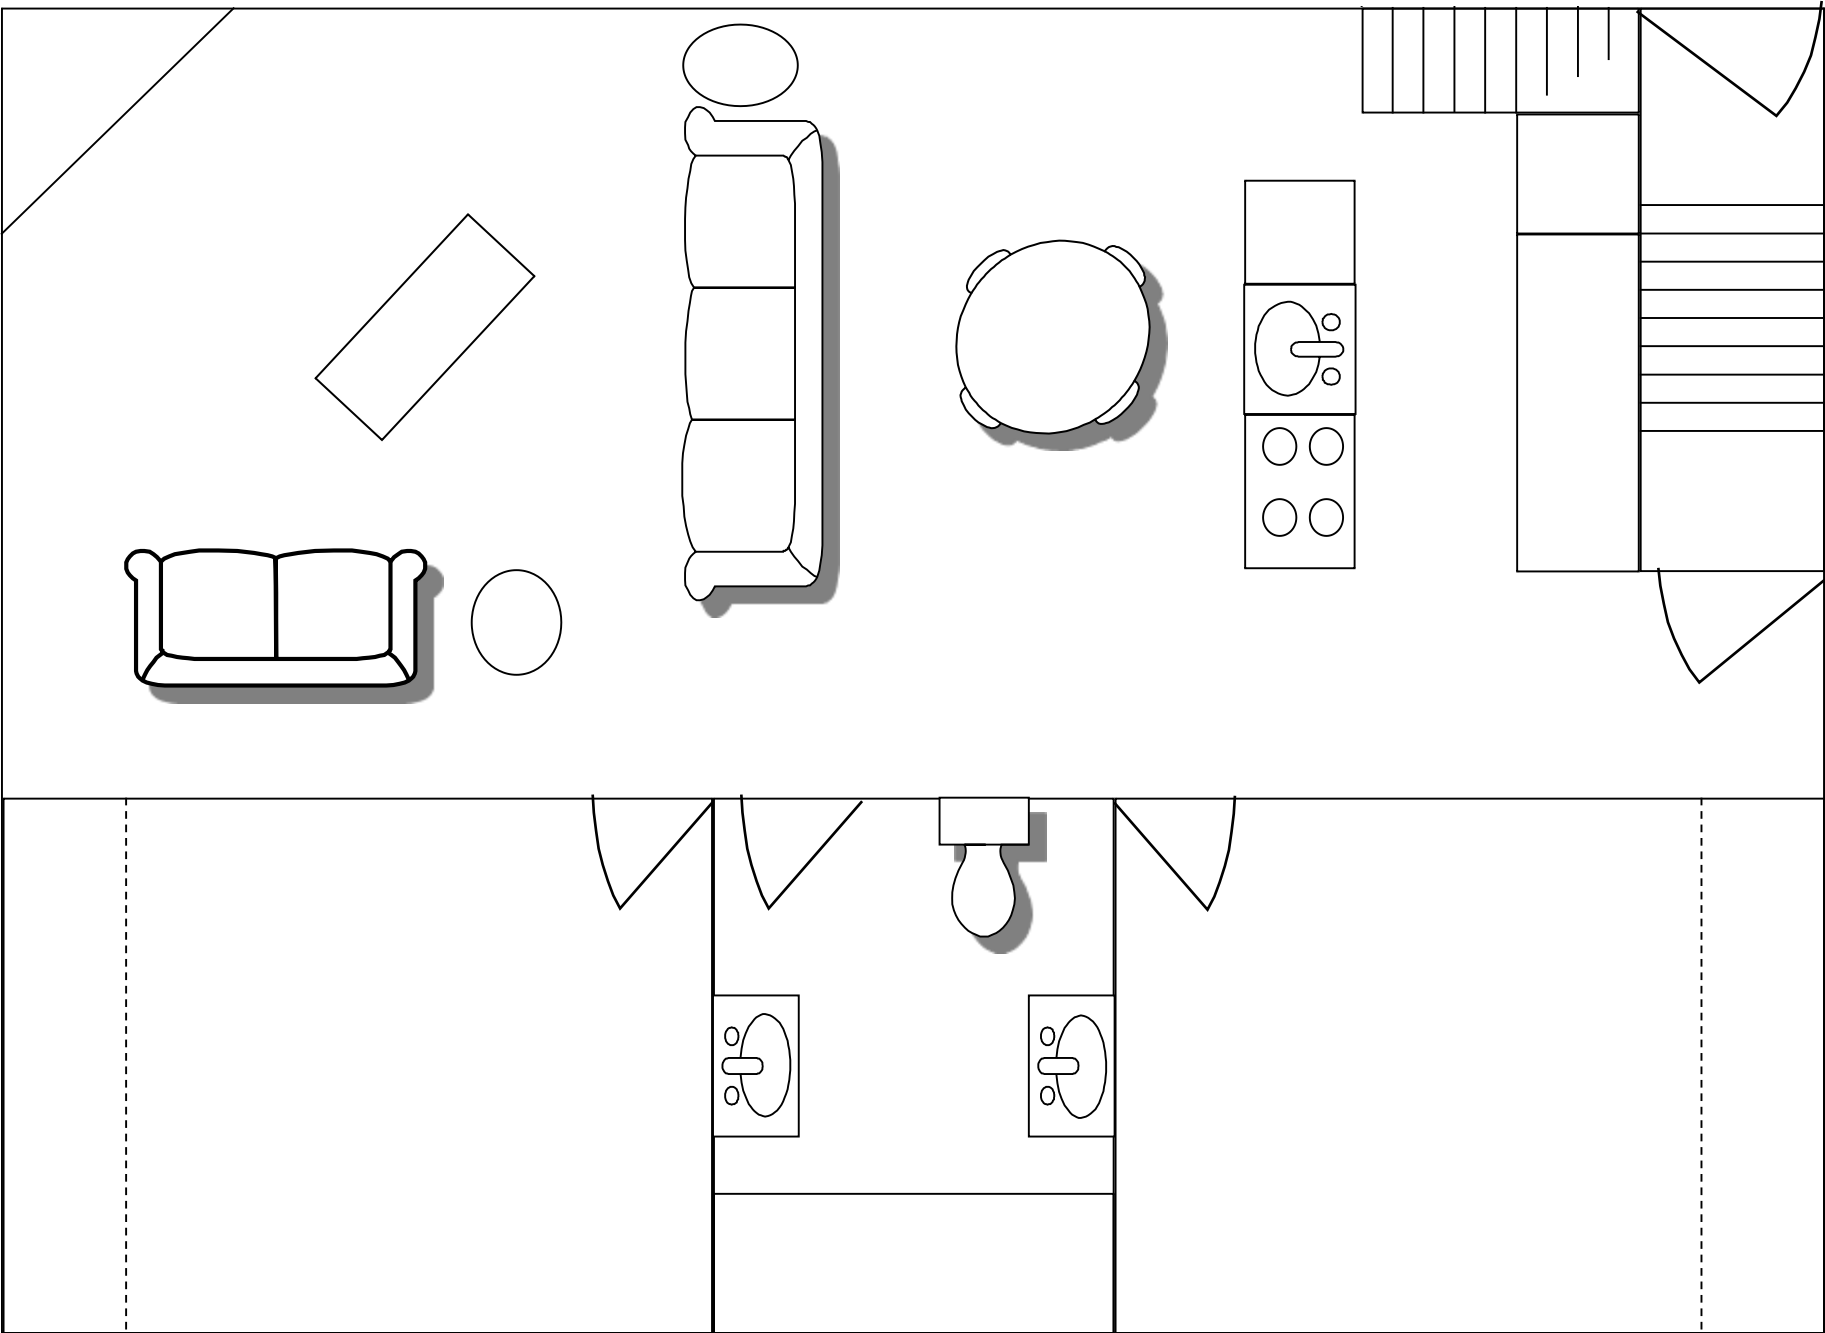

Designed and Promoted by Good
Samaritan Children's Charities

The current crisis in Ukraine has dramatically affected Good Samaritan Children's Home. The Home receives no government funds. It raises all operating funds through farming, fund raising, and primarily through fees for lodging.

Western Ukraine is the home of many culturally important Hungarian sites and the Home has profited from hosting numerous school field trips from Hungary.

All trips have been cancelled the last two years.

Donations can be made through
Good Samaritan Children's
Charities, LLC.

100% of funds are transferred
directly to the Home.
